## Reference Book on LS Polls, 1952 to 2014, Released

**NEW DELHI:** A reference book on the Lok Sabha elections held between 1952 and 2014, with details of all the constituencies in the form of an atlas, was released on Monday. The "Election Atlas of India" contains the poll results of all the parliamentary constituencies, from the first general election in 1951-52 till the 2014 polls, which led to the formation of the 16th Lok Sabha. The book contains demographic features of parliamentary constituencies, based on the 2011 census report. -PTI
